

LOOKING FOR AN INTERNSHIP? BECOME ONE OF US

Looking For An Internship In Your Field of Study? Become ONE of ONEOK's Summer Interns.

ONEOK Internships

If you are interested in exploring the energy industry and the career opportunities that best fit your strengths and talents, take a look at ONEOK's paid internship opportunities for the summer of 2012. They offer you the opportunity to discover, confirm or redirect your career path through value-added project assignments.

ONEOK's internships provide successful students with on-the-job experience related to their degree field.

Interns receive challenging and exciting project assignments, as well as opportunities to network with other interns and company management.

We are as interested in your character and work ethic as we are in your field of study. Students who show integrity, initiative and a strong commitment to learn will enjoy the most success in a career at ONEOK.

Who we are looking for.

Students who are expected to graduate in December 2012 or May 2013 with degrees in Engineering, Accounting, Management Information Systems, Environmental Engineering and related disciplines. Consideration may also be given to students in these degree fields who are expected to graduate in December 2013 or May 2014.

Where will my internship be located?

Most interns will work in a business environment at ONEOK's headquarters in Tulsa, Oklahoma. Depending on your major and the company's needs, other locations could include Oklahoma City or Medford, Oklahoma; Austin, Texas; Overland Park, Kansas; or other areas where the company operates.

What to expect.

Summer internships at ONEOK offer students the opportunity to learn about the department to which they are assigned and to get exposed over a 10 to 12 week period to the type of work they might encounter in a full-time position at ONEOK through on-the-job assignments, project work, job shadowing and presentations.

Recruitment process.

Candidates are interviewed on campus or at a ONEOK facility by a manager, and additional interviews may be conducted prior to selecting students for internship offers.

How to apply.

Apply for an on-campus interview through your campus career services center and submit your resume online at theonetoworkfor.com, where you can also find out when ONEOK is scheduled to visit your school. ONEOK is an equal employment opportunity employer.
